Welcome home to your sofa

GRÖNLID sofa has sections that you can combine to a size and shape that suits you perfectly. The deep seat cushions with a top layer of fibre balls and plenty of comfortable back cushions make the sofa soft and welcoming. You can also add and replace sections when you want – for example if a favourite corner has become a bit worn after many years. Perfect when you want an embracing sofa for many cosy evenings at home, lazy days and relaxed socialising with family and friends.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.co.id for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

COMBINATIONS

Here we show some examples of how GRÖNLID sofa series can look, but you are free to customise the sofa to suit you and your needs. Decide the number of seats, shape of the sofa, what functions you want and of course a cover that

feels right for you. One tip is to use our helpful planning tool to explore all the possible combinations and possibilities. You can find the tool in the store and on www.IKEA.co.id

GRÖNLID 2-seat sofa.

GOOD TO KNOW

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and arm-chairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture

that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

	Washing instructions	Resistance to abrasion (cycles)	Light fastness (0-6)
INSEROS: plain woven cotton with smooth surface texture. 100% cotton.	Machine washable at 40°C.	35,000	5
LJUNGEN: tailored cover in hardwearing polyester with a soft, velvety feel. 100% polyester.	Machine washable at 40°C.	45,000	5
SPORDA: natural based textured fabric with two-toned melange effect. 57% cotton, 24% polyester, 19% linen.	Machine washable at 40°C.	25,000	5

KIMSTAD: coated fabric. Polyester (29%) and cotton (9%), coated with polyurethane (62%).

Coated fabric

Coated fabric is a fabric material with a coating, which can be embossed to look like leather. It's a strong and durable material and very easy to care for– just vacuum the surface using the soft brush attachment on your vacuum cleaner and wipe with a damp cloth.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibers. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course. All our different coated fabrics have been treated to protect them and make them easy for you to look after. All have also been tested and approved for tear strength, flexibility and colour fastness, so you can be sure you will enjoy your new sofa or armchair for many years to come.

About KIMSTAD

A durable coated fabric with the look and feel of leather. It is ideal for families with young children and it has a protective coating which makes it fade-resistant. Very easy to look after and keep clean. Just vacuum regularly with the soft brush attachment and wipe with a damp cloth.
