Warm and traditional

The STOCKSUND seating series has a timeless, traditional style and a warm inviting feeling, with soft rounded shapes and hand-crafted details like turned wooden legs. The generous dimensions and seat cushions with a core of pocket springs give excellent comfort that you will enjoy for many years to come. The series includes sofas of different sizes, an extra wide armchair and a bench with storage that you can even use in the hallway or at the foot of your bed.

Quality, inside and out

With STOCKSUND, all details have been carefully designed to make both the inner and outer qualities easy for you to see and feel. The seat cushions have a core of highly durable pocket springs and a somewhat wider seat angle that makes the sofa feel deeper and you sit more comfortably. The legs are turned and crafted in solid wood. A choice of covers is available, all made of strong and hardwearing fabrics, with decorative piping and beautifully sewn pleats – all are removable and machine washable.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.co.id for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

GOOD TO KNOW

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and arm-chairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibers. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course.

	Washing instructions	Resistance to abrasion (cycles)	Light fastness (0.6)
LJUNGEN: 100% polyester. LJUNGEN is a hard-wearing cover made of a polyester fabric with a soft, velvety surface and a slightly reflective lustre.	Machine washable 40°C.	45,000	5
NOLHAGA: 75% cotton, 25% polyester. NOLHAGA is a hard-wearing cover made of a yarn-dyed cotton and polyester fabric with fine details such as a two-tone effect.	Machine washable 30°C.	35,000	5
SEGERSTA: 78% cotton, 22% polyester. SEGERSTA is a very durable cover made of natural based fabric with a woven checked pattern and a soft, smooth surface.	Machine washable, 40°C.	50,000	5
