### Create your personal favourite

You can customise VIMLE sofa series as you like so that you can enjoy it for a long time. Select the size and shape to fit both your needs and the look of your home. You can create anything from a timeless 2-seat sofa to a spacious U-shaped sofa with an open end. The chaise longue and footstool have practical storage space for things like throws and magazines. You add the final touch with a cover that you like – all covers are durable and easy-care.

All the products (shown here) may not be available at the store. Please contact the staff or look at [www.IKEA.co.id](http://www.IKEA.co.id) for more information. For more detailed product information, see the price tag and the Internet. All units require assembly. IKEA Indonesia reserves the right to adjust our prices, to correct price errors or misprints according to any changes beyond our responsible control. IKEA Indonesia tries to ensure that all information stated is correct at the time of publishing.

# COMBINATIONS

Here we show some examples of how VIMLE sofa series can look, but you are free to customise the sofa to suit you and your needs. Decide the number of seats, shape of the sofa, what functions you want and of course a cover that feels

right for you. One tip is to use our helpful planning tool to explore all the possible combinations and possibilities. You can find the tool in the store and on [www.IKEA.co.id](http://www.IKEA.co.id).

Farsta black	904.099.14	<b>Rp750.000</b>

# GOOD TO KNOW

## Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and arm-chairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

## Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibers. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course.

	Washing instructions	Resistance to abrasion (cycles)	Light fastness (0-6)
ORRSTA: Two toned subtle structure. 65% polyester 35% cotton.	Machine washable at 40°C.	20,000	5
GUNNARED: Plain weave with tone-in-tone colour effect. 100% polyester.	Machine washable at 40°C.	50,000	6
TALLMYRA: Soft chenille two-toned fabric. 78% cotton, 22% polyester.	Machine washable at 40°C.	30,000	5

**FARSTA:** Coated fabric. Polyester (29%), cotton (7%) and viscose/rayon (2%), coated with polyurethane (62%).

## Coated fabric

Coated fabric is a fabric material with a coating, which can be embossed to look like leather. It's a strong and durable material and very easy to care for– just vacuum the surface using the soft brush attachment on your vacuum cleaner and wipe with a damp cloth.

All our different coated fabrics have been treated to protect them and make them easy for you to look after. All have also been tested and approved for tear strength, flexibility and colour fastness, so you can be sure you will enjoy your new sofa or armchair for many years to come.
