SVALNÄS

wall-mounted storage system

GOOD TO KNOW

Made of bamboo, which is an easy-care and hardwearing natural material.

SAFETY

The included metal washers must be used when securing the post to the wall. Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Build your own storage

The idea with SVALNÄS wall-mounted storage system is that it can look like almost anything. It all depends on what you use it for. Clothing and shoes in the hallway. The TV in the living room. A workstation with a charging pad for smartphones, shelves for binders – and maybe a mix of hidden and open storage. No problem. Thanks to the smart platform solution, you can easily build your own combination. And as a bonus, SVALNÄS is made from durable and renewable bamboo!
