

BUYING GUIDE

Professional office

Furniture for every office

We have furniture for every kind of office – from the small to the fully staffed. And everything to make a modern company run smoothly and efficiently, from desks, storage and chairs, down to lamps and desk accessories. Choose between desks of different sizes and shapes, comfortable work chairs that support your back – and finish by creating a unique storage solution for your needs. At IKEA our office furniture has great design, smart functions and high quality. And it's been tested for office use so you can be sure it can take tough days at work – year after year.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.co.id for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Do it yourself or let us help

Just because you can do everything yourself, doesn't mean you have to. Let us help make your office solution a reality with our service offers like picking, home delivery, assembly, financing and more. Read more on the back page of this guide or at www.IKEA.co.id.

GOOD TO KNOW

Versatile screens for many needs.

Our screens serve different needs. You can use them to create a pleasant and welcoming reception area, to provide privacy in an open plan office or to reduce sound. Or all these things. The screens come in two heights, 120 cm and 55 cm. The 120 cm screen stands freely on the floor. The 55 cm screen attaches easily to BEKANT table top and can be mounted at two different heights, according to your needs.

Flexible storage on less space.

BEKANT storages on wheels are easy to get out of the way when you want to turn the workplace into something else. Small office supplies fit perfectly in small storage and high unit can also be used as presentation desks.

Combine to create your own conference table.

We have conference tables in two sizes – 140×140 cm and 140×70 half round. The half round table seats 3 and the 140×140 cm table seats 8. You can use them individually or combine them to seat as many people as you need. And simply rearrange tables when your needs change. Attachment clips to connect the tables are included with the frames.

More desks on less space.

By placing desks back to back you can save space. You can do this with desks of different shapes and sizes. For instance, straight desks back to back or four corner desks with their corners meeting at the centre. There are many possibilities. This back-to-back desk arrangement saves time and makes it easier for colleagues that work in teams to communicate and collaborate. You can also choose to put screens between the desks to create more individual and private workspaces.

DESKS AND CONFERENCE TABLES

Desks for many different needs

BEKANT desks come in many shapes and sizes, so it's easy to find one that perfectly suits your needs. A net for cable management is included and helps you keep the area around your desk free of messy cables. If you want to have a softer surface, you can choose Linoleum table top which has natural ingredients in it. It's so nice to write on it. It's also kind to your eyes as it doesn't reflect the light.

Tested for tough treatment

The BEKANT, IDÅSEN and THYGE desk series have been tested according to the highest standards for professional office use (EN 527, ANSI/BIFMA X:5.5 for desks and EN14074, EN1730 and ANSI/BIFMA X:5.5 for conference tables) and meets our strict standards for quality and durability.

That means that the series has undergone a number of tough tests. And this is how we know that all the desks are durable and can take heavy loads and that the surfaces resist both scratches and strains. This makes them a reliable workmate that lives up to your high demands and can withstand hard work – day after day, year after year.

Free your creativity

BEKANT conference tables have a built-in solution for cable management. This means that you and your colleagues can use computers and projectors without lots of loose cables tangling around your coffee cups and papers. Focus on the right things releases creativity.

Design

BEKANT: Karl Malmvall, Eva Lilja Löwenhielm
IDÅSEN: Jon Karlsson

Care instructions

Wipe clean with a mild soapy solution.

Read more in the guarantee brochure.

"Desk Control" app can only be used for IDÅSEN sit/stand desks in some languages*. Go to your Google Play or APP store to download the Desk Control app. The app will take you through the process of installing your Desk Control.

*English, German, French, Italian, Spanish, Japanese, Chinese, Korean

GOOD TO KNOW

1. Height adjustable legs allow you to assemble your desk at a height that suits you. If you have the sit/stand underframe you can raise and lower the desk with the touch of a button.
2. The curved shape of the table top gives support to your wrists and forearms when typing.

3. It's easy to keep your desk neat and tidy with the cable management net under the table top.
4. Surfaces in veneer and melamine foil are hardwearing, stain resistant and easy to keep clean.

With BEKANT and IDÅSEN sit/stand underframe you can raise and lower your desk by the simple touch of a button. That helps you to change working positions often and keeps your body active. The positions for sitting and standing are from 65 cm to 125 cm for BEKANT and from 60 cm to 124 cm for IDÅSEN sit/stand desks.

You can use TROLLBERGET active sit/stand support to get a more open posture which is good for your blood circulation and core muscles.

COMBINATIONS

Adjustable in height. With our BEKANT sit/stand desk you can adjust the height of the table top electrically from 65 to 125 cm to ensure an ergonomic working position. Changing positions between sitting and standing helps you move your body so you both feel and work better.

HÄLLAN

Professional and personal

You can choose between GALANT, BEKANT, IDÅSEN and HÄLLAN storage according to your needs and style. They have been specially developed to suit all types of professional offices – both when it comes to smart functions and high quality. You can choose, for example, between different height and widths, storage with only drawers or combined with file storage and drawer units. You can also use some of the pieces in the series as room dividers – a good way to create a calm corner to work in.

All storage at the office

Everything from binders and paper to printers and computers – not to mention cords and cables. Our storage series solves all of the most important and usual storage needs at the office. In GALANT, all units have built-in cable management and ventilation to ensure there's no risk of your electronic equipment overheating. HÄLLAN cabinets are designed as modules, so you can use one or buy several and create a combination that suits you. It helps you keep track of everything from your handbag, laptop charger and wallet to important papers. Most of the BEKANT and IDÅSEN storages have wheels so you can change your workspace into something else when you are done.

Tested for a long, hard life at work

All storage units have been tested for office use and meet the requirements for safety, durability and stability set forth in the following standards: EN 14073, EN14074, ANSI/BIFMA x5.9 and ISO-7170.

That means that they have undergone a number of tough tests. For example, we've made sure that the surfaces can withstand heavy wear and tear, and that all drawers and sliding doors will run smoothly even after a long time.

STORAGE ACCESSORIES

KVISSLE letter tray. Cork liner in the bottom keeps the papers in place. Pull-out compartments make it easy for you to access your papers. You can also turn the letter tray on its side if you want to store and organise your papers vertically.

White 802.039.56 **Rp349.000**

KVISSLE magazine file, set of 2. Easy to pull out and lift as the magazine file has a handle.

White 202.039.59 **Rp199.000**

KVISSLE magazine rack. You can hang KVISSLE magazine rack on the wall, on the side of GALANT storage units (cabinet with sliding doors, roll-front and file cabinets, shelf, add-on and drawer units) or use it horizontally in the top drawer of GALANT drawer unit on castors (45×55). Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

White 401.980.18 **Rp249.000**

SUMMERA drop file, 16-pack. Suitable for A4-size papers.

Patterned 002.522.67 **Rp159.000**

SUMMERA drawer insert with 6 compartments, 44×37 cm, H3 cm. Drawer inserts help organising small things in a big drawer.

Anthracite 002.224.59 **Rp79.000**

WORK CHAIRS

Work chairs that make a perfect match

We have comfortable work chairs for all your needs – swivel chairs for your desk, visitor’s chairs and conference chairs. And in many different styles, colours and materials, so it’s easy to find the perfect match for both you – and your office décor.

Our swivel chairs have features from simple to advanced. How to choose? Start by thinking about what kind activities you will do and how much time you will spend sitting in the chair. For fulltime work, you might need one with more adjustable features to help you vary sitting positions. Do you have special needs, e.g. want relief for your back, support for your arms and shoulders? What style do you like? Let your answers to these questions guide you to the perfect work chair for you.

Can take a tough day at work

Our professional chairs have been tested for office use and meets the requirements for safety, durability and stability set forth in the following standards: EN1335-2 and ANSI/BIFMA x5.1 for desk chairs and EN1022, EN15373 and ANSI/BIFMA x5.1 for conference chairs.

This means we have put the chairs through many different tests and tough challenges. For example, we sized the chair according to both European and American measurement requirements, subjected it to heavy loads and tested the endurance of each part – up to 300,000 times. We did all this to make sure it would be comfortable to sit in, safe to use and capable of enduring fulltime deskwork – for many years.

Read more in the guarantee brochure.

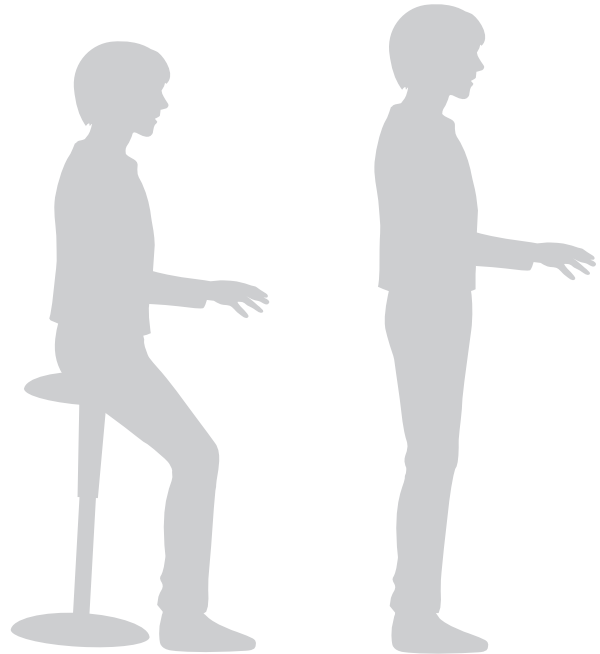

GOOD TO KNOW

The human body is made to move, so ideally, your workspace should give you the choice of sitting, standing or leaning, allowing you to change positions often.

SITTING

1. You should be able to stretch your legs under the table and turn 90° to the left and right. The hips and knees should be at an angle of approx. 95-100° with your feet flat on the floor. If you share the chair with other people, the height adjustable seat allows all of you to sit comfortably.
2. It doesn't matter if you're short or tall. With an adjustable seat depth or a height adjustable backrest you can try different depths and heights and get exactly the support your legs and back need.
3. A chair with tilt function makes it easy to change sitting position, regardless of whether the tilt function is in the seat or the backrest – or in both places.
4. The lumbar region is where we usually feel the first onset of tiredness. A chair with built-in lumbar support relieves pressure on your back.
5. Armrests reduce strain on arms and shoulders. Adjustable armrests reduce strain even more – regardless of how tall or short you are. Make sure that the armrests don't prevent the chair from being drawn close to the desk, and that they don't restrict your movements.
6. If you've been sitting at your desk for some time, it may feel nice to lean back and change your position for a moment. With a headrest on your chair, your head and neck also get some well-deserved relaxation.

LEANING

A standing support enables a position between sitting and standing, and it's ideal when you have a height adjustable desk.

- Provides freedom of movement for your upper and lower body.
- Activates and strengthens your body's core muscles.
- Gives you an open posture which improves your circulation and metabolic rate.

STANDING

Don't forget to stand up as well. Alternating between sitting and standing is good for you since it increases circulation and productivity. Check out our height adjustable desks since they're ideal for alternating between sitting, leaning and standing.

GOOD TO KNOW

Height adjustable seat for a comfortable sitting posture regardless of body height.

Adjustable seat depth; easy to adapt for increased support to your thighs and back.

Height adjustable backrest; gives lumbar support and relieves strain on your back.

Lockable tilt function for increased stability in different sitting positions.

Adjustable tilt tension; increase or decrease the resistance to suit your movements and weight.

Synchronised tilt function in seat and backrest; the chair follows your movements when you lean forward or back.

Weight compensation mechanism automatically finds the right amount of tilt tension to open up your body when you lean back.

Depth adjustable armrest; adjust the depth according to your needs.

Height and depth adjustable armrests; adjust to relieve strain on your arms and shoulders even more.

SAFETY CASTORS

Chairs should stay where you leave them and not roll away on their own. That's why we put safety castors on our chairs. The castors have a built-in pressure-sensitive brake mechanism so that they roll freely and easily when you sit on the chair – and brake when you stand up. Note that even though the castors don't roll when braked, they can still slide on the floor if the chair is pushed.

SERVICES

We offer a range of services to help you with everything from putting it together to getting it home. Of course, the more you do yourself, the lower the price will be. And the more we do for you, the more you can sit back and relax!

Delivery service

Add our delivery service to your total cost regardless of whether you're shopping online or in your local store. We can deliver the same day/next day within the store delivery area. And, we don't just stop at your front door, we deliver all the way to your room of choice.

Assembly service

We assemble your IKEA furniture in your home following the assembly instructions. The assembly service includes a free 1-year guarantee on workmanship, and disposal of all packaging in an environmentally friendly way.

It's ok to change your mind

You have 30 days to return your purchase. Keep your receipt safe to make returns easier. You're free to change your mind. Return unused items in their original packaging within 30 days together with proof of purchase for a full refund.
