

BUYING GUIDE

PLATSA

Storage system

SAFETY

This furniture must be fixed to the wall. Different wall materials require different types of fixing devices.

Use fixing devices suitable for the walls in your home, sold separately.

If you stack several PLATSA frames on top of each other, you need to secure the frames placed at 3 metres or above to the wall using LÄTTHET suspension rail, sold separately.

CARE AND CLEANING

Wipe clean with a cloth dampened in a mild cleaner. Then dry with a clean, dry cloth.

ASSEMBLY

IMPORTANT: 2 persons are required to assemble this furniture safely.

With the PLATSA series you can create storage solutions for both small and large spaces. The foundation consists of open, lightweight frames that you can combine as you like. You can build high or low. Under a sloping ceiling or along an entire wall. Then you easily add doors, shelves, wire baskets and hooks as needed. If your needs change, you can easily rebuild or complete with new features.

Create your own wardrobe

By combining frames from the PLATSA series with items from the HJÄLPA and LÄTTHET series of interiors and exteriors, you can create exactly the solution you need. Or you can choose one of our suggested combinations and add or remove interiors and exteriors as you wish. Whatever you choose, the result is a solution to suit both your home and your clothes.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.co.id for more information. HOW TO BUILD

CHOOSE YOUR SOLUTION

We have a wide range of PLATSA combinations to choose from which you can find in the store or on our website at www.IKEA.co.id. If you don't find a pre-designed solution that you like, you can create the perfect combination that suits your needs and taste on your own. Begin by looking through the ready-made combinations on the web and choose one that inspires you. You will then have a pre-designed combination to start from that you can customise to your needs. You can, for example, change the size of the wardrobe, or the interiors. You can also design your own unique PLATSA combination from scratch. There are 3 simple steps to follow:

1. Choose frames. Consider how much space you have available in your room. Remember, you can also make the most of unused space with the different sizes of the frames available.
2. Pick your style on doors. What style do you want your wardrobe to be? Do you wish for a plain white door, or a door in the more traditional style? Maybe dark grey? The choice is yours.
3. Choose interiors and exteriors. Think through your day-to-day needs and what you need to store. Once you have decided on the interiors and exteriors, it's time to add the finishing touches. Complete your new wardrobe with your choice of boxes and inserts from our extensive range of interior accessories. And for a great result, don't forget the integrated lighting. Simple to install and makes it easier for you to find the right outfit.
