## Outdoor Living Furniture Series

### Big ideas for small outdoor spaces

The ASKHOLMEN series gives you the flexibility to furnish your small balcony or terrace in many different ways – and make the most of your space. Compact chairs and tables that fold up and away. A balcony table that mounts to the rail or wall. To decorate, there's a flower box, a plant stand and a trellis that supports climbing plants. The entire series is made of durable, sustainably sourced acacia that has been stained grey-brown for beauty and added protection.

# PROTECTING AND CARING FOR ASKHOLMEN

*The best way to extend the life of your wooden outdoor furniture is by cleaning it regularly, not leaving it outdoors unprotected more than necessary and to re-stain it on a regular basis.*

## Cleaning

Wipe clean with a soft cloth dampened in water and a mild soapy solution. Wipe dry with a clean and dry cloth.

## Maintenance

To prevent the surface from drying out and cracking and moisture from penetrating into the wood we recommend you to re-stain the furniture on a regular basis, for example once a year. How often you will need to do this will depend on how exposed the furniture is to the elements.

For furniture that stands in the open air, a good indication that you need to re-stain is if raindrops are absorbed directly into the wood and no longer form small beads on the surface.

## Storing

If possible, store your outdoor furniture in a cool and dry place indoors. If the furniture is left outdoors, make sure to protect it with a waterproof cover and if possible tilt the furniture to make it easier for any water to drain away. After a rain, wipe off excess water from flat surfaces. Allow air to circulate, to avoid condensation.
